**AUTOMOTIVE DIVISION**

V3 is a fluid thinking entrepreneurial business established in 2001. We consider ourselves as somewhat different to most other agencies out there. Our culture, behaviour and attention to detail stand us in good stead to develop close relationships that last. Today at V3 we continue to trade enthusiastically with this same culture and nine times out of ten, we exceed the expectations of our clients and candidates. We are based in the South but service the whole of the UK and work with some clients internationally. We love to work with all types of organisations and have some of the most well-known and respected brands as customers. We realise that winning business is not just about cutting margins it is more about genuinely meeting expectations and connecting with people.

We are a friendly bunch but we take our business seriously. We look forward to working with you.

GREAT COMPANIES DON'T HIRE SKILLED PEOPLE AND MOTIVATE THEM, THEY HIRE ALREADY MOTIVATED PEOPLE AND INSPIRE THEM.

PEOPLE ARE EITHER MOTIVATED OR THEY ARE NOT.

UNLESS YOU GIVE MOTIVATED PEOPLE SOMETHING TO BELIEVE IN, SOMETHING BIGGER THAN THEIR JOB TO WORK TOWARD, THEY WILL MOTIVATE THEMSELVES TO FIND A NEW JOB AND YOU'LL BE STUCK WITH WHOEVER'S LEFT.
